1. Additional Discounts will be applied for orders paid in full before order is shipped:
 - a. With credit card - Base Discount + 5%.
 - b. With ACH/Wire - Base Discount + 10%.
2. Orders for genomic services require payment in full up front.
3. Price Levels:
 - a. Will be determined by annual spend and payment method.
 - b. Will be reviewed quarterly (the first of: January, April, July, and October)
 - i. Quarterly review will calculate projected annual spend using the highest 3 months of the previous 12 months. Seasonal or other trends will be taken into consideration if necessary.
 - c. May be adjusted accordingly upon review. Customers will be informed of any change.
4. New customers will be allowed a full quarter for ramp up considerations before being subject to any price level adjustments.
5. Price level discounts will be reflected per line on sales orders. Any additional promotional or other discount will be applied to the order subtotal.
6. MGC will consider Net 30 payment terms upon review of a credit application.
7. All Price Level discounts will be applied to MGC's current list price. List prices can be found at store.medicinalgenomics.com/
8. Price Level Discounts are not applicable for hardware and consumables, training or installation charges.
9. Customers are responsible for all shipping, handling, and freight charges.
10. Individual orders over \$10,000 within the US will receive free shipping.
 - a. Customers requesting to use their own shipping carrier account will not receive free shipping for orders over \$10,000
11. MGC terms of sale will apply to all orders www.medicinalgenomics.com/termsofsale/
